

BOARD OF DIRECTORS CANDIDATES 3-YEAR TERMS

Shelly Fuller - Boulder County, CO

Shelly has been an active NAHMMA member for many years and the Rocky Mountain Chapter President for a decade. She has also been involved with the Awards Committee and is currently serving the final year of her first BOD term. Coming from a smaller chapter, Shelly offers perspectives on how to keep chapter membership engaged in a multi-state chapter and loves to go on field trips to learn something new.

Richard Lobinske - Retired

Richard embodies the mission of NAHMMA as a volunteer organization that seeks to provide its members with the training and resources to effectively and efficiently operate their collections programs. As a Board member Richard serves on multiple committees and serves as treasurer, dedicating his time and talents to the betterment of the organization.

Kevin Lynch - Paintcare

Over the past several years, I've been deeply involved in NAHMMA both regionally and nationally. I've served as Secretary and Vice President of the Rocky Mountain Chapter, where I've worked to strengthen chapter engagement, communication, and collaboration. Supporting the Rocky Mountain Chapter has been one of my proudest contributions, helping to boost membership by bringing everyone together through fun and applicable training, networking, and shared problem-solving.

Nate Pelczar, California Product Stewardship Council

I am passionate about ensuring NAHMMA remains a strong voice in shaping and supporting effective hazardous waste legislation and industry best practices. I would be honored to bring my collaborative leadership style, policy expertise, and commitment to environmental protection to the NAHMMA Board as we continue to advance safe and sustainable hazardous waste management across the US and beyond.

BOARD OF DIRECTORS CANDIDATES 3-YEAR TERMS

Stacie Hubbert - Allen County IN

I bring experience and a deep commitment to environmental stewardship, public safety, responsible materials management and a collaborative spirit to support NAHMMA's mission. I have been engaged in hazardous materials management, safety education, and regulatory compliance across both public and private sectors. My involvement has included leading initiatives on HHM reduction, advancing battery recycling and strengthening emergency preparedness & response protocols for managing DDR devices.

Tyler Dale, Washington County, MN

Serving on the board would provide an opportunity to collaborate with other hazardous waste professionals who share my passion for protecting the environment. As an engaged and active NAHMMA board member, I would advance my commitment to promoting the responsible management of hazardous and potentially hazardous wastes.

BOARD OF DIRECTORS CANDIDATES 16-MONTH TERM

Dustin Heidinger, Carver County, MN

Dustin has served on various roles for the North Central Chapter committee for several years and has been a champion for getting the chapter more involved outside their normal membership engagement. His calm demeanor and critical thinking would be a benefit to the NAHMMA Board, and the shorter term would allow him a chance to have a meaningful impact during a pivotal time for NAHMMA.
