Management Association

# 39th Annual Hazardous Materials Management Conference

September 22-27, 2024  
Austin, TX

On behalf of the North American Hazardous Materials Management Association (NAHMMA), I am pleased to welcome you to the 39th Annual Hazardous Materials Management Conference this September 22-27, 2024 in Austin, Texas at the Renaissance Arboretum Hotel.

NAHMMA's Annual Conference is the premier gathering for professionals working to reduce and properly manage hazardous materials from households and Very Small Quantity Generators to prevent the materials from entering municipal waste streams. Our conference provides attendees the opportunity to Network, Train, and Transform their careers and their organizations by bringing together the best minds and leaders in our profession. The conference will provide perspective and thought leadership on the multifaceted issues facing our industry.

This year's conference offers insights for our industry and its stakeholders for 2024 forward. From strategies to help tackle daily operations, the evolution of EPR, program innovations, and the important role our industry plays in pollution prevention; each session will provide first-hand experiences and expertise from industry experts and policy advocates from across North America.

Attendees will have the opportunity to engage in exclusive networking events including our Monday evening Membership Mixer, the Vendor Reception on Tuesday and Silent Auction, the Wednesday evening off-site event at Punch Bowl Social, and Thursday's always entertaining HHM Olympics!

With several breaks built into the conference program to engage with our sponsors and exhibitors, the conference promises to be the leading Hazardous Materials Management networking event for public and private sector leaders.

Stay connected with us throughout the conference on LinkedIn (North American Hazardous Materials Management Association) using #NAHMMACON2024.

**Kenneth M. Miller** | President, Board of Directors  
North American Hazardous Materials Management Association

An aerial photograph of the Chicago skyline at sunset. The sky is a mix of orange, pink, and blue, with scattered clouds. The Lake Michigan is visible in the background, reflecting the colors of the sky. Several prominent skyscrapers are visible, including the Willis Tower and the Trump Tower. The foreground shows a dense urban landscape with various buildings and streets.

Thank you for joining us  
in Austin!

See you next September  
21-26, 2025 in Chicago!
